

*Welcome to your "Unique" Nova Scotia experience!*

The Unique Country Inns of Nova Scotia are called "unique" for a reason. There is something about our inns that stands apart from the rest of the crowd. From the cozy and comfortable corners of our historically interesting properties, to the smiling faces of the people in the small communities into which our lives are woven, it's a little bit of life as it should be.

Come and warm yourself by the fires of traditional Nova Scotia hospitality as only our member inns can provide. *Your room awaits!*
